

The Meridian Practice Patient Survey Analysis 2013-14

Comments and Suggestions:

1. No, everything is great, staff are supportive.
2. Have problem about emergency/appointment. I have got a pain on my neck and have to be on waiting list for 3 months (Hospital appointment).
3. I'm happy
4. Rather difficult to get the app unless call from am in the morning
5. Waiting time sometime long but if you arrive late then sometimes staff do not tolerate.
6. I do have problem with interpreter, sometime I do ask for female interpreter, I do not get it
7. All staff kind and helpful.
