

The Meridian Practice Patient Survey Analysis 2013-14

Comments and Suggestions:

- No, everything is great, staff are supportive.
- Have problem about emergency/appointment. I have got a pain on my neck and have to be on waiting list for 3 months (Hospital appointment).
- I'm happy
- Rather difficult to get the app unless call from am in the morning
- Waiting time sometime long but if you arrive late then sometimes staff do not tolerate.
- I do have problem with interpreter, sometime I do ask for female interpreter, I do not get it
- All staff kind and helpful.
