

The Meridian Practice Patient Survey

Analysis 2016

(Sample Size: 159 patients participated)

Comments and Suggestions:

- 1 .Excellent service
2. It is difficult to get an appointment.
3. Very Good service.
4. Access to service such as get an appointment over the phone is very hard and GP referrals to hospital has a long waiting time for hospital appointments.
5. The service is good .keep the fire burning and improve more and more .
- 6 .Reception and Gp are friendly. To see a GP I only have one option which is must make phone call at 8:00 am. Advise if pt can make appointment any time morning hours.
7. Service is very good.
8. Sometimes hard to get appointments.
